

Raising A Reader® Program Materials

Raising A Reader® kits are designed to meet the specific needs of the families you serve.

<u>Size</u>	<u>#</u>	<u>Possible Setting</u>
Standard	26 Bags	Pre-School Classroom
Small	15 Bags	Family Childcare Homes
Toddler	15 Bags	Home Visiting Nurses

Standard and Small Book Bag Kits include the same components; they simply vary in number of book bags and books. All kits are designed to have four books per book bag. Raising A Reader strives to represent broad cultural diversity with options to tailor one-quarter of the books per kit using the "Supplement Set", see the description below.

Infant/Toddler Kits contain only board books appropriate for 0-2 year olds, and represent broad cultural diversity to the degree possible.

Spanish Kits are designed to include all Spanish language books, with 100% bilingual books the ideal. Available in Small and Standard sizes.

Universal Components

Red Book Bags

Sturdy bright red book bags with chubby handles perfect for little hands. Filled with plastic-coated, literary-acclaimed books with a strong multicultural and bilingual emphasis.

Blue Library Bags

Every child in the program receives their own Blue Library bag to keep encouraging ongoing trips to a local library.

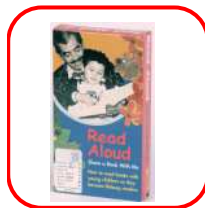

Multicultural Supplement Set

To fill the fourth book in each red bag. *Does not apply to Infant/Toddler Kit.*
