Book Title: Radio Man/ Don Radio

About the Book: Diego and his family are migrant farmers who move from state to state picking fruits and vegetables. Each day brings a new experience--a different place, a different crop, and different people to meet. But no matter where Diego goes, his radio goes with him--it helps him to learn about the places he's going and to keep in touch with the people he meets along the way.

Storytime Activities:

What's in the Mystery Bag?

Use your mystery bag to pull out different ways of playing music. A phone, a radio, CD player, headphones. How do you listen to music?

Whiteboard Activities:

Use the whiteboard to draw a map of Diego's travels and draw a picture of what crop he picked at each stop.

Actions & Transitions:

- Act It Out: There are many ways to keep in touch with friends and family. Make a list of all the ways you can communicate with a friend who is not with you.
- Listening activity: There are sounds all around us, even when we turn off the TV or radio. Close your eyes and listen for one minute. Talk about what you heard.
